

WOMEN of DISTINCTION

At Women of Distinction, you're the star!

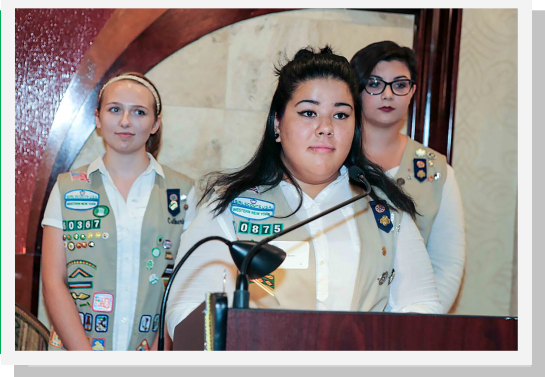

Join us for a fun, sophisticated program that is completely led by girls. That's right, girls and young women just like you serve as ambassadors greeting guests, emcees keeping the show on time, presenters honoring outstanding women with awards, and flag presenters bringing and retiring the colors for the program.

You'll improve on important skills and meet really cool women and meet new Girl Scout sisters who become friends. Don't let your jitters stop you. This is a once-in-a-lifetime experience that will help you grow into a stronger, more confident young woman.

Interested? Awesome! Take a second to complete the form below then drop it off or mail it in to your local Girl Scout service center. We'll send you the application. You can also email wod@gswny.org to express interest in applying for Women of Distinction. Good luck!

"Girl Scouts has allowed me unbelievable opportunities through which I have been able to travel, explore career options, and meet amazing people. I have learned and experienced so much through being a Girl Scout, and formed amazing bonds and friendships along the way. It is an unparalleled program that I believe every young girl should be exposed to."

- Emily Atieh, Cadette Girl Scout (Pictured far right, back row)
